Under \$100*

1. Sulfur Face Mask \$35

This anti-inflammatory mask is our sulfur mask blended with eucalyptus oil, used for cooling and calming oily/acne skin. Excellent for acne treatment. Sulfur helps to stimulate and heal, while eucalyptus oil is used for aroma and cooling.

2. 4 Piece Waxing Gift Set \$45

This kit includes everything you need to keep your face hair free and flawless: a portable lip wax kit you can use anywhere on your face, tweezers, post wax soothing oil and ingrown hair eliminating oil.

3. Neroli Citrus Scrub \$45

Unveil beautiful skin with our custom blended luxurious sugar scrub. Rich organic brown sugar and kiwi seeds, nourishing avocado oil, along with lush notes of neroli essential oil melt rough and dry skin away leaving you silky smooth. Your soul will be soothed from the uplifting essence of neroli, a mood elevating essential oil. This formula is very concentrated and will give you immediate results!

4. Audrey Morris Peptide Complex Serum \$45

A light-weight serum that helps to repair dry and damaged skin. Proven to improve lines and wrinkles and help skin retain its moisture. This effective serum uses 3 active peptides to combat the signs of aging and damaged skin.

5. Ultrasonic Face Spatula \$48

Designed to give you an easy facial treatment from the comfort of your home. 3 modes give you flawless skin in just 1 treatment.

Cleansing Mode: opens up the pores to remove dead skin, dirt and impurities

Moisturizing Mode: helps increase the absorption of moisturizer, serum or creams into the skin

Lifting Mode: helps reduce the appearance of fine lines and wrinkles as well as firming the skin

6. Wilson Collective Shampoo & Conditioner \$58

Cleanse and strengthen your hair with the SI Protein Complex that combines Hydrolyzed Keratin, Corn, Soy and Silk Proteins with Sacha Inchi Oil, high in antioxidants 3-6 and 9, to improve hair and scalp condition. Build strength while locking in moisture for the strongest, shiniest hair possible.

- Free candle with purchase of shampoo and conditioner.

7. Skin Zyme Face Mask \$71.50

A supplemental home care exfoliation product that has the ability to remove dead skin cells without harming sensitive or irritated tissues. Use this papaya enzyme face mask anytime for an immediate polished look. Great when used as part of a comprehensive skin care regimen

8. Multi Acid Resurfacing Pads \$88

Take your service and home care results to the next level! This dynamic quadruple-acid at-home peel combines 4 unique and powerful acids to immediately resurface the skin for smoother, more luminous/glowing skin, more refined surface texture and reduced appearance of pores, fine lines and wrinkles.

9. Luminate Face Mask \$95

Reduces the appearance of discoloration and uncovers brighter, more youthful looking skin! This mask visibly improves the appearance of skin tone, texture and luminosity starting with the first use and continuing over time. This targeted mask is a perfect stand-alone product or complement to any skincare routine to combat the appearance of discoloration - one of the most challenging skin concerns.

10. Retinol Plus Face Mask \$97

Reduce the appearance of fine lines and wrinkles, sun damage, and hyperpigmentation. Used just 1-2 times weekly, this mask with multiple advanced technologies including retinol, peptides, antioxidants, skin protectants and soothing agents gives your skin a fresh polished look. This retinol face mask is suitable for all skin types.
